Tender Care received a check in the amount of \$2,500 from a grant from the Arch Diocese of Baltimore, Archbishop's Annual Appeal.

Pictured: Elizabeth Shaughney presenting the check to Tender Care representative Laura Wolf.

Tender Care is a great support system

I came to Tender Care as a very scared 16 year old that had just taken multiple pregnancy tests – all of which came out positive. Tender Care was everything I needed at such a terrifying time in my life.

They were a support system, provided me with a ton of information about myself, my new baby and how to handle real life problems I would now be facing. I even got to go "shopping" for some new outfits.

All throughout my pregnancy I felt supported and cared for by the Tender Care family in Gettysburg, a feeling I still carry with me today when I stop in to visit with my son. Thank you Tender Care for everything from the first pregnancy test, to the parenting classes, support, and care all through today. I couldn't have done it without you guys!

Give a special gift to support more moms like Danielle! DONATE online at www.tendercare.org/give
TenderCare is a 501(c)(3) Non-Profit Organization
