Newsletter

Dear Tender Care supporters,

First of all I hope everyone had a most Holy and blessed Easter. What a great time of year. Secondly, with any luck, the bad weather is behind us – I know I could use a break. Thanks to you, Tender Care is off to a great start this year. We are working on a number of projects and everything is moving smoothly and is on schedule. As you may know, we will be very busy for the next two months with our Walk for Life in New Oxford, and our Spring Banquet in Westminster. We look forward to seeing everyone there.

On the political front, the Department of Health and Human Services issued a ground breaking new rule protecting the pro-life conscience rights of medical professionals. We truly are headed in the right direction. And there are two major pro-life cases pending at the Supreme Court. Good news all the way around. Let us keep those defending life in court rooms across the land in our hearts and prayers.

I thank you for your loyal support of Tender Care as we do our part in the battle for life.
Vince Pacelli

Life is Precious

Ashley found out she was pregnant and got a first look at her baby on the ultrasound at Tender Care.

Baby Crixus was born at 26 weeks and weighed 2lb 7oz.

"I think it is important for people to know that a baby is full of life at all stages."

"My baby was born 14 weeks premature. Crixus was in ICU 109 days. I visited him every day. Now he's a healthy 4 month old and weighs 8lbs 9oz, and he's doing great! Ashley continues to visit Tender Care, where we are able to give her ongoing support with parenting, and material items. She is an amazing mom, dedicated to caring for her miracle baby. Crixus is proof that life is precious!

Support precious lives like Ashley and Crixus with your support of Tender Care.
